MEMORANDUM TO: Commander 25X1A

SUBJECT: PROJECT - Survey of the Utilization of Armed Forces Personnel in the Various Components of ORE

1. In order to insure that armed forces personnel are being effectively utilized within ORE commensurate with their capabilities and their rank, it is desired that you conduct a survey of this situation which will give attention to the following points:

a. to what extent are the allocations of T/O positions for military personnel occupied by personnel (1) now on duty or (2) encumbered

b. in those cases where such slots are filled, list the duties and responsibilities of the officer present

c. summarize results of interviews with the military personnel involved and with their component chiefs in each case

d. include a statement of your conclusions and your recommendations regarding your findings.

2. Full and free discussion with members of the Planning Division, Plans and Policy Staff, in aid of this project, is recommended.
